

Your Light Spring Color Guide

Light Springs have a delicate warmth — think golden sunlight on a spring morning. Your coloring is light with warm undertones, and you look best in colors that are fresh, bright, and airy without being too intense.

Your Undertone: Warm

Best Metals: Light gold, rose gold, warm champagne

Your Season Palette

Your Best Colors

Warm pastels, peachy pinks, light corals, soft golds, warm ivory, light aqua, cameo pink, buff, light warm greens, salmon

Foundation Guide

Look for foundations described as 'warm', 'golden', or 'peach'. Avoid anything with 'cool', 'pink', or 'olive' in the shade name. Light Spring skin tends to be fair-to-light with golden or peachy undertones. Your best match will look like your skin but slightly warmer.
